

Request for Bid

The **Rio Blanco Fire Protection District (RBFPD)** invites qualified contractors to submit bids for constructing a level pad at the **Pioneers Drive Meeker** property.

Objective

Construct the largest possible level pad utilizing existing materials.

Project Scope

1. **Location: Pioneers Drive, Meeker**
2. **Specific Requirements:**
 - a. **Material Removal:**
Remove material along the southern property line, tapering the farthest southern edge to account for buried power lines and fiber infrastructure.
 - b. **Leveling Work:**
Level the property from the southern taper to the northern property line and east to west, incorporating a small peninsula and existing onsite material into the leveling process.
 - c. **Access Construction:**
Build access from the PMC Emergency Room road into the property, ensuring consideration for existing buried power lines.
 - d. **Finish:**
10 to 12 inches of 6 inch minus with 6-8 inches of road base on top – Must be properly compacted and pass compaction test.

RBFPD reserves the right to refuse loads if too much non-gravel material is present.

Bid Submission

All bids must be submitted by April 7, 2025. Submissions must include a detailed cost proposal, project timeline, and confirmation of compliance with the outlined project requirements.

Bid Rejection Policy

The **Rio Blanco Fire Protection District** reserves the right, in its sole and absolute discretion, to:

- Reject any and all bids or cancel/withdraw this Invitation to Bid at any time or for any reason.
- Waive any non-conformance or non-compliance with the requirements specified in this ITB.

The District, its employees, Board members, bid administrator, or other parties involved in the bid process will not be liable for any costs incurred by bidders for bid preparation, presentation, or participation in this competitive process.

Ownership of Submitted Materials
